1. We are forwarding under separate cover three small reports prepared by AECASSOWARY 29 on certain Soviet potential targets. AECASSOWARY 29 received this information while he was visiting England and Sweden and the date of information, therefore, should read October 1960 for the first two reports and August 1960 for the third.

2. The source for the first two reports is a contact of AECASSOWARY 29:

Vitalij BENDER
48 Hatherley Grove
London W12 England

Cit: UK?

Contact of Anatol Kaminsky

The source of the third report is AECASSOWARY 34.

3. We understand from AECASSOWARY 29 that these potential targets will be made a part of a Ukrainian personality target file which is maintained by Headquarters for AECASSOWARY 15. AECASSOWARY 29 has said that a copy of this file will be forwarded to FOB for any potential operational activity here in Europe. We would appreciate having this or any other potential Ukrainian personality target list Headquarters may possess.

1. Physical description; 30, 6", black eyes, dark hair, small moustache. Ukrainian. Single. By profession - a baptist preacher in Kiev, Ukraine. Lives with parents in Kiev under a/m address. After 10 years of the Middle School in Kiev studied at Franko - University in Lviv, Ukraine. Speaks and writes Ukrainian, Russian, and English with a Slavic accent.

2. S stayed in summer 1958 in Bristol, England as a student of theology (altogether for 14 months). At that time he visited twice B. in London to whom he was introduced by B's English friends who are baptists as well.

3. S told B that to his baptist community in Kiev belonged about 50 persons incl. 15 engineers and 2 medical doctors. He himself as a young preacher was sent for a short course to Bristol to supplement his theological knowledge, on initiative and thanks to efforts of ~~the~~ a British baptist group who visited Kiev in 1956 or 1957 and entered in direct negotiations with Soviet authorities on "theological exchange".

4. During ~~the~~ visit of the S to B, S while looking at the book "The Black Deeds of the Kremlin" asked B what it is about. B explained that the book gives a record of the organized hunger in Ukraine in 1930s. S said that there should be written also another similar book on the hunger losses of 1946. Also on other occasions S made several very critical remarks on Soviet regime and particularly against Russian chauvinism. B considers S to be a Ukrainian patriot and one of the representatives of his anti-regime generation.

5. As S told B, S's father stayed during the WW II in Kiev where he worked as a small official in local administration. Consequently, after arrival of the Soviet Army to Kiev S's father was arrested by the Sovs but later on released.

6. According to B, S's theological convictions seemed to be not very deep and he himself pointed out to B that his baptist activity gives just an opportunity "to do something good for his people".

7. S promised to write to B but has not done so. Only once in 1960 he conveyed his regards to B and his wife through ~~xxxx~~ an English baptist who introduced S to B.
